To whom it may concern:

In 2008 Owyhee County was looking for a new medical provider for the Owyhee County Detention Facility. I met with Physician's Assistant Eric Wells of Badger Medical. Mr. Wells addressed our specific issues pertaining to Owyhee County Detention Facility.

I can attest first hand of the knowledge and professionalism Physician's Assistant Wells has in caring for our inmates as well as assisting our agency in deterring potential medical lawsuits. In addition, P.A. Wells has assisted my staff tremendously with any and all medical issues /questions they come across on a 24/7 basis.

Badger Medical is well known and respected by the Idaho Sheriff's Association and P.A. Wells lives up to that expectation with his knowledge, professionalism and assistance he has provided for us.

As the Jail Administrator, I can, with confidence recommend P.A. Eric Wells for the medical services he provides us and I look forward to continuing our working relationship.
